

# FLIGHT LINE

WHAT'S NEW...

## Disaster!!!!

On June 5th we participated in the El Paso County Disaster Drill. We were called in and transported two patients. One to Memorial Central and one to Memorial North. We absolutely appreciated being a part of the drill and were happy to participate.

The knowledge gained will go a long way in making an unfortunate event like a large scale disaster go smoother and integrate all agencies seamlessly. A big thank you goes out to all those who participated for helping to make our communities safer and more prepared!!!

# Beat the caption!

This picture is begging for a caption! I take a lot of pictures and frequently I get one that could use a witty caption. This just happens to be one of those times. Hook me up with a funny caption and we'll hook you up with something worthwhile. Send your caption along with your name, agency or department to [StarOneNewsletter@gmail.com](mailto:StarOneNewsletter@gmail.com)!

Uh... Rex, what's going on and why do you keep giggling and giving me a thumbs up?

## Do you eat?!

I don't know about you but at my house dinner is the time we gather and talk about our day. We all feel like a great big family right? Well, perhaps it's time to gather around the table and share our communities stories with each other. We're starting a dinner club! Each month we're going to try out a different restaurant. This month is the Loop on the 31st! Please join us so we can get to know each other better! Please RSVP though email [StarOneNewsletter@gmail.com](mailto:StarOneNewsletter@gmail.com) by April 19th!
